Declaration

I declare, and on behalf of the other travellers of the party, that to the best of my knowledge all the information is correct and I see no reason why the trip may be cancelled or curtailed. For multi trip cover this declaration shall also apply each time you book a trip. Should there be a change of circumstances during the 'period' of a multi-trip policy this must be advised to MPI.

Statement of Demands and Needs. Travel Insurance provides you with cover against a range of different risks, and the cover and excesses vary between the different packages. You must read the Key Facts Policy Summary, which gives an outline of the cover provided. From the information that you have provided we have identified your demands and needs and that of others who have applied on this form, as someone who requires travel insurance to provide protection in the event of loss, damage, injury, illness or liability arising out of or in the course of a trip or trips. We have not provided any recommendation regarding the cover you should take and the chosen package has been selected by you as that which best meets your needs.
